Installation Steps

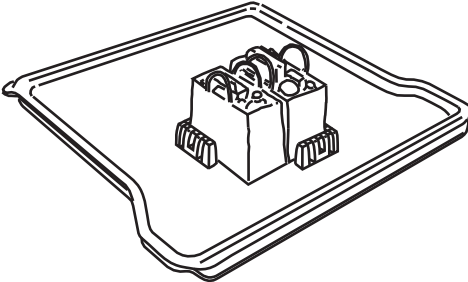

1

Align the a male block with a female so the Velcro® faces down. Align the fingers with the corresponding recesses.

2

Place the parts on a firm surface and press until they snap together.

3

Install the cargo liner by positioning it in the cargo area or trunk. See above illustration for example of how to use the Cargo-Logic system.

Care and Cleaning

1. For normal cleaning simply vacuum with a non-motorized attachment.

2. For heavy cleaning wash with mild soap. Hose off and air dry.

Note: Do not use high pressure sprayers. Do not use heat guns or heated driers.
